When selecting a User Type it is very important that the correct one is chosen as this affects the mileage rate paid.

For example

- If you are using your own private vehicle, you are classed as a Business user. Therefore, you would select **Business**. However, in the event of travelling from Home to Base you must choose **Business Taxable**.
- Essential Users on the Assessors payroll should select Essential User, Childrens Service users should select Business – ex NHS.
- If you are only claiming Excess or Secondment please choose the relevant option. For Bicycles or Motorcycle then select them respectively as above.
- Tusker car users must choose Salary Sacrifice (and the respective fuel type: petrol or diesel)

Line 2 – Aviemore to Glasgow to Aviemore, total 280 miles (return) 1 passenger to be entered.

2. Claiming Short Term Car Hire Equivalent rate plus mileage

Where travel is required over 100 miles, car hire or public transport should be used.

If an employee chooses to use their own car for such journeys a “Short Term Car Hire” rate of £26.50 per day plus 13p per mile can be claimed.

It is important that both are claimed at the same time.

2.1 Firstly, claim for the mileage travelled by choosing ‘Car Mileage’ in the [Group] field and ‘Short Term Car Hire Equivalent’ in the [User Type] field as below and complete all other fields as appropriate (for further guidance see Submitting a Mileage Claim User Guide).

The form displays the following data:

Date: 16/02/2016	Group: Car Mileage	
Description: 0800-1600 Base to Moray Council - Elgin Meeting		
Vehicle: DUMMY	User Type: Short Term Car Hire Equivalent	
Actual Mileage: 75	HQ/Base to place visited: 75	Mileage: 75
Est. Claim Value: £9.75	Passengers: (empty)	

Buttons at the bottom: OK (blue) and Cancel (red).

2.2 Now claim for the short term car hire equivalent by choosing the Travel and subsistence claim form

Choose [Short Term Car Hire - £26.50] in the ‘Type’ field and ensure that the value field is always set at [1.00], this signifies that you are claiming a daily rate in addition to the lower mileage rate, then click [OK].

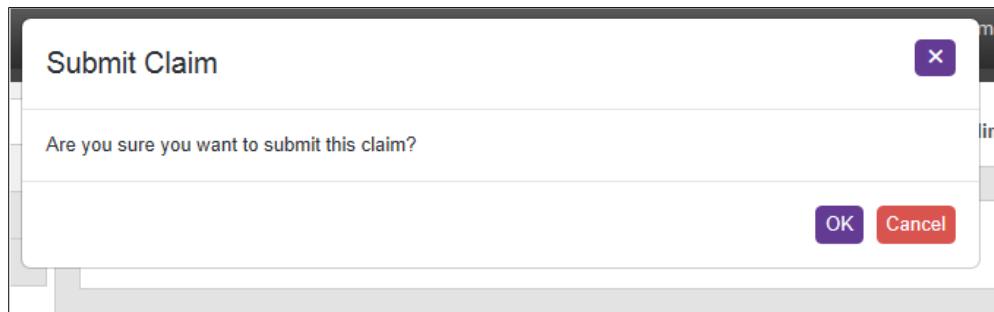

Should you wish to claim for additional days, create a new claim line with the date of additional travel.

Date 16/02/2016	Group ? Travel & Subsistence	Type Short Term Car Hire 26.50
