Subject: Caol Local Place Plan

We have attached our Draft Local Place Plan.

As part of the Local Place Plan guidelines, I would be grateful if you could review our latest Draft as our nearby Community Councils.

I would be grateful if this could be discussed at your next meeting and feedback returned to us as soon as possible.

I've Cc'ed in our consultant, Mairi at Northern Consulting, so they are aware this step in the process has been done.

Thanks

John Gillespie

Further to my previous email, we've started to incorporate feedback received from Highland Council and others.

If we could receive any feedback by the end of July that would be helpful

Thanks
