Dear Home Secretary

Request for a meeting with Local Residents - Inverness Cameron Barracks

I refer to my previous letters in connection with the above and would ask that the Home Office arrange a meeting with local residents to provide information on this proposal to use Inverness Cameron Barracks for male asylum seekers.

A number of Councillors and families living in the locality have made this request for a public meeting which I feel is a reasonable request. In the absence of information being readily provided, there is a real danger that this void is filled with misinformation and disinformation which could seriously impact community cohesion.

In view of this this, it would be helpful if the Home Office were to arrange a meeting with local residents to provide the community with clarity over their plans and address issues of genuine concern.

I look forward to hearing from you.

Yours sincerely / Leis gach deagh dhùrachd,

Councillor Raymond Bremner
Leader of The Highland Council
