Dear IDT,

The Trustees of Invergordon Naval Museum and Heritage Centre offer their full support to Invergordon Development Trust (IDT) on their bid for a Community Asset Transfer for Invergordon Town Hall.

The Trustees recognise IDT's intention to operate the venue for the benefit of the local community and businesses. They also fully support IDT's intention to fully consult the local community and businesses to ensure that any use of the building is supported and embraced by the community to ensure a successful project.

The Trustees wish to see the Town Hall retained and restored, in recognition of its importance to the community and its heritage.

Yours sincerely

on behalf of the trustees of Invergordon Museum
