

WHYTE & MACKAY

Tuesday 3rd March 2026

To Whom It May Concern,

I write in support of Invergordon Development Trust and their bid to acquire Invergordon Town Hall.

Invergordon Distillery has been at the heart of Invergordon town since its' foundation in 1961. We are one of the largest sites and employers in the town. Invergordon Distillery, as part of Whyte & Mackay Ltd, is the largest Distillery and Maturation complex in the North of Scotland.

We are in full support of all activities that uplift the local community and encourage a sense of community spirit. If the Town Hall can be kept for use for the community, we will support in use and active involvement. If offered as a space for functions, we would look to rent for meeting and company gatherings, whilst encouraging others to do the same to help sustain for the long term. The central location of the Town Hall provides the perfect accessibility for many of our local employees, as well as to the Distillery itself. It will also provide various opportunities for community members.

Yours Faithfully
