## THE HIGHLAND COUNCIL

### APPLYING TO LEASE INDUSTRIAL OR COMMERCIAL PROPERTY

#### GUIDE TO COMPLETING THE APPLICATION FORM

1. Please complete the form in full and provide as much information as you can to allow us to assess your application.
2. If you require more space than is available on the application form, please supply the additional information in a covering letter or on a separate piece of paper.
3. If you trade as a Sole Trader or Partnership, you must detail your home address(es) as well as any existing business address(es) as the Council's financial regulations require us to check if you owe the Council any money. If you do not provide this information, we will not be able to progress your application.
4. You must supply a bank reference to allow us to verify your credit worthiness. We cannot progress your application without a bank reference and we cannot seek this from your bank on your behalf. Please complete the Bank Reference Form and submit direct to your bank, if they require this. If you have not received the reference when you submit your application, please tick the box on the application form to confirm you have requested it. Please note a bank reference will not be required if your business is a government or public sector department or agency or body.
5. Your application must be emailed OR posted. We do not accept applications by fax and, currently, hand delivery is not possible as our offices are closed due to COVID.
6. If you email your application, please send it to: [property.offers@highland.gov.uk](mailto:property.offers@highland.gov.uk)
7. If you post your application, you must use the formal address label to return it. To ensure the integrity of our letting procedures, we are not permitted to open applications before the closing date and using the address label allows us to distinguish your application from other incoming mail. Please ensure you have paid the correct postage as underpaid mail will be delayed by Royal Mail. If your application arrives late due to insufficient postage, we will not be able to progress it and it will be rejected.
8. We will not be able to consider your application if it is received after the closing date.
9. We will not be able to consider your application if you deliver it to any Council office other than our office at the address stated below.
10. We provide a PDF version of the letting particulars and a dedicated webpage for each property we advertise on Highland Council's website at:  
[www.highland.gov.uk/land-property/commercial-property-sale-rent/2](http://www.highland.gov.uk/land-property/commercial-property-sale-rent/2)
11. If you have a question about the property or the application process that cannot be answered from the particulars or the webpage, then please do not hesitate to contact us:
