There was a very brief explanation of the LPP document in the consultation email and the link took the consultee to a web page with a more descriptive summary of the document, as well as the full document.

 Glen Urquhart Local Place Plan
 To: David Fraser (Councillor)

Dear David

We are pleased to send you the Local Place Plan for Glen Urquhart.

The Glen Urquhart Community Council has worked hard to produced their LPP with the purpose of analysing their current strengths and weaknesses, while also considering how the community can address its challenges. Opportunities and future actions have been identified and the benefits they would bring to Glen Urquhart identified, in order to attract and guide funding and/or in order to influence the new Highland LDP. The document includes substantial detail but remains centred on the maps and the action plan.

All legal requirements have been met, and the LPP maps along with the supporting information can be found in the main Local Place Plan document.

LPP attached – appendices (and LPP) can be found online:

If you have comments on our proposed Local Place Plan, please email them to us or submit them via the feedback form (attached).

The deadline for comments is 14th October, although due to tight time frames we would greatly appreciate and benefit from an earlier response from you.

We have already sent similar Information Notices to our adjoining, active Community Councils as required by the Local Place Plan Regulations.

Please confirm receipt of this email to ensure it has been delivered safely, and let us know if you have any queries. Many thanks.

Kind regards

Claire

Many thanks Helen,

I have already sent to the addresses below – resent to Kiltarlity for the updated email address below.

In relation to councillors – Chris and David have already seen a draft - will also send to Helen and Emma.

I've not got any responses – do we need to evidence that we tried to get feedback? Is showing the sent email enough?

Many thanks for your guidance,
Dianne

Dear Dianne

Thank you for your email.

I can confirm that your list (below) includes all the adjoining Community Councils that you need to consult as part of your Local Place Plan preparations.

Regarding the Kiltarlity Community Council email address. The email address on [our list of Community Council contacts](#), which tends to be the Council's most up-to-date source of Community Council contact details, is kiltarlitycommunitycouncil24@gmail.com. I've emailed Kiltarlity Community Council to clarify the status regarding the different email addresses and will let you know when I hear back. In the meantime, if you wish to proceed with sending out your Local Place Plan Information Notice, you may wish to send it to both of the Kiltarlity Community Council email addresses.

May I just check that you're aware of the need to consult with the Councillors for your Local Place Plan area? For your Local Place Plan, you will need to consult with each Councillor in Ward 12: www.highland.gov.uk/councillors/specificWard/12/12_aird_and_loch_ness

Kind regards

Helen
