

**THE HIGHLAND COUNCIL (B9006 CULLODEN CROSSROADS) (40mph Speed Limit) ORDER 2026**

**Statement of Reasons**

The Highland Council aim to promote the safe and efficient use of the roads they are responsible for. Where these roads link towns, villages and cities, there are frequently competing pressures between their strategic purpose, and community interests relating to safety and amenity.

In the interests of road safety and casualty reduction and the furtherance of Council policy to promote road safety on its road network, it is proposed to introduce a 40 mile per hour speed limit on sections of the B9006, C1028, C1088 and B851 at Culloden, which will be consistent with other similar routes and is appropriate to the function and nature of the road.
