

28th February 2025

Dear Sir/Madam

I am writing as the constituency MP for Inverness, Skye and West Ross-shire in support of the application by Struan Community Trust to take ownership of the former Struan Primary School.

Struan Community Trust have the full backing from the community, and also from local Councillors. They are the only community on Skye of their size not to have a hall.

Having ownership of the building will make a huge difference to the community and will provide a community who currently have nowhere to meet with a space where they can meet regularly, and will let them achieve their ambitious plans set out in their 2023-2033 Community Action Plan.

Attracting younger generations to live in Struan is incredibly important, and the results of a dedicated survey that was run in October and November of 2023 to gauge the needs of young people connected to Struan showed the desire for a Local Community Centre was high on their list of needs.

I thoroughly support Struan Community Trust's application to take ownership of the former Struan Primary School, and plan to visit in the next few months to show my support.

Yours sincerely

Angus MacDonald MP
Inverness, Skye and West Ross-shire
