

**THE HIGHLAND COUNCIL (B8083 BROADFORD, SKYE) (20MPH SPEED LIMIT)
ORDER 2026**

Statement of Reasons

The Highland Council aim to promote the safe and efficient use of the roads they are responsible for. Where these roads link towns, villages and cities, there are frequently competing pressures between their strategic purpose, and community interests relating to safety and amenity.

In the interests of road safety and casualty reduction and the furtherance of Council policy to promote road safety on its road network, it is proposed to introduce an extension to the current 20mph Speed Limit on the B8083, Broadford, which will be consistent with other similar routes and is appropriate to the function and nature of the road.
