The Highland Council (Off Street Parking Places) (Decriminalised Parking Enforcement and Consolidation) (Variation Five) Order 2026 (Draft)

Statement of Reasons

The Highland Council proposes to make the above-named Order to amend the existing Off-Street Parking Places Order and to consolidate and update the Council's off-street parking provisions into a single amended Order for administrative clarity and consistency across the Highlands.

The purpose of the proposed Order is to:

1. **Increase the Availability of Off-Street Parking**
   To facilitate the effective management of parking demand and improve the availability and turnover of parking spaces at off-street parking places across the Highland area.
2. **Vary the Control and Regulation of Certain Off-Street Parking Places**
   To introduce and amend parking controls and conditions of use at specified off-street parking places, including restrictions on vehicle classes, lengths of stay and operational arrangements where appropriate.
3. **Introduce Pay and Display and Permit Parking at Specified Locations**
   To introduce pay and display parking and permit parking schemes at certain off-street parking places and to revise parking charges where applicable in order to support effective traffic management, sustainable transport objectives and the financial sustainability of parking facilities.
4. **Introduce Conditions of Use at Cemetery Car Parks**
   To bring cemetery parking places within the scope of the Order and introduce conditions of use and enforcement provisions to ensure that these facilities are used appropriately for cemetery visits and to prevent misuse, including overnight parking and camping.
5. **Introduce Parking Controls and Enforcement at Previously Unregulated Car Parks**
   To bring certain off-street parking places that are not currently regulated under the existing Order within the scope of the amended Order, thereby enabling the introduction of parking controls, conditions of use and enforcement provisions where applicable.
6. **Make Administrative and Consequential Amendments**
   To make administrative, consequential and consolidating amendments to the existing Off-Street Parking Places Order, providing a clear and consistent framework for the management and enforcement of Council off-street parking places throughout the Highlands.
