

**THE HIGHLAND COUNCIL
PROPOSE TO CONSTRUCT BUILDOUTS TO NARROW THE CARRIAGEWAY
AT AN UNCONTROLLED PEDESTRIAN CROSSING POINT ON WEST BANKS
AVENUE, WICK**

SCHEDULE

Descriptions of the proposed build outs: -

Located 42 metres or thereby Northwest of the West Banks Avenue, West Banks Terrace Junction, Wick

Two build outs on the SW side of the road, 2m apart, effectively forming one build out 5m long projecting 0.9m into the carriageway and opposite, a third build out 5m long, projecting 2.2m into the carriageway narrowing the carriageway between the two to 5.5m.
