The Highland Council (Prohibition and Restriction of Waiting and Loading and Parking Places) (Decriminalised Parking Enforcement and Consolidation) Variation Sixteen Order 2026 (Draft)

Statement of Reasons

The Highland Council proposes to introduce Red Route Clearway restrictions on sections of the A855 at The Storr and the A863 at Sligachan, Isle of Skye. The reasons for these proposals are in the interests of road safety and to facilitate the safe movement of traffic.

The proposed restrictions are intended to prohibit vehicles from stopping on the carriageway, verge and footway along sections of the A855 and A863 where vehicles currently stop or park to visit these popular tourist destinations. The presence of stopped or parked vehicles obstructs the carriageway, reduces visibility and creates hazards for road users, pedestrians and cyclists. The restrictions are intended to improve road safety and maintain the safe and efficient movement of traffic along these routes.
