Appendix 2 / Eàrr-Ràdh 2
Planning and building standards offices / Oifisean inbhean dealbhachaidh agus togail

Get advice on planning permission or building standards
If you want check whether you need planning permission, you can:

- Use our Public Access portal to check if your property has planning permission.
- Visit our Planning - What you need to know pages
- Submit a Development Enquiry form to ask if you need planning permission for your proposal.

Speaking directly to a planning officer will not provide the information you need. You will be directed back to these services.

eProcessing Centre
