Dear Cabinet Secretary

Learning Estate Investment Programme

The Council is looking to schedule a meeting of the Council to consider its capital programme and clearly the outcome of our bids to round three of the Learning Estate Investment Programme will have a material impact on those discussions.

My reason for writing to you is to ask whether you could give an indication as to when you anticipate making an announcement on which bids have been successful. I do appreciate it may not be possible to provide an actual date, however it would be enormously helpful if you were able to give a broad indication of the timescale.

I look forward to hearing from you.

Yours sincerely
