Dear Cabinet Secretary

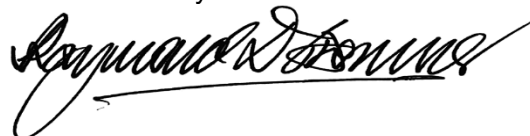

### **Police Scotland Resources in the Highlands**

At a recent meeting of the Council, there was a discussion over the resources available to the Northern Division of Police Scotland and a motion was passed which asked that I write to you to request that the proposed reductions to Police Numbers and overtime availability in the Highlands be withdrawn and that a review of policing numbers be carried out as a matter of urgency

I would be most grateful if you could give consideration to the terms of this Council motion.

I look forward to hearing from you.

Yours sincerely

Councillor Raymond Bremner  
**Leader of The Highland Council**
